## Venice Approves Maintenance Pact For Street Work

An agreement with the state highway department which will provide state motor fuel tax totaling \$28,097 for maintenance of Venice city streets during 1965 was approved by the Venice city council Friday night.

Edward Juneau, city consulting engineer, said it is the first time the city of Venice has consummated such an agreement. The plan will permit the city to obtain motor fuel tax funds for such maintenance operations as sealing of streets with asphalt and chips, patching, ice and snow removal during winter months, cleaning streets and cleaning catch basins.

In the past, such operations have been financed by the state department out of the general revenue fund. The program covers a period from Jan. 1 to Dec. 31, 1965.

The agreement was approved during a meeting in which business consisted mainly of hearing departmental reports. City Treasurer Bernard Anderson reported the city had total receipts of \$50,257 during March. With a balance of \$35,722, this brought to \$85,989 total available funds. Disbursements amounted to \$52,905 during March, leaving a balance of \$33,084 on April 1.

A building permit was approved for Dr. and Mrs. John E. Lane, 1230 Kline street, for remodeling on a residence at an estimated cost of \$30,000.

The State Department of Conservation notified the city that it has approved a plan for construction of a boat access dock at the Union Electric Co. plant on the river, and that funds will be made available after the beginning of the state's new fiscal year, July 1. The city has worked out a lease with Union Electric for construction of the facility.

## Friday was 'Shoot 'em Up' Day for Youths in GC

Holidaying youngsters kept Granite City police busy Friday afternoon with unusual activities—all of the weapons or noise-making variety.

At 1:30 p.m. police went to the 2000 block of Madison avenue on a complaint that youths had been shooting in the neighborhood up with steel-pointed arrows, but the archers had fled before the officers arrived.

All guns were the weapons of the day in the 2800 block of Marshall avenue about 2:30 when police received calls from residents who were concerned about the youths' safety and also their windows. The boys were advised of the city law prohibiting the use of the weapons.

At 5:20 p.m. noisy firecrackers were being shot in the vicinity of Pershing avenue and Nameoli road. The shooters fled before police arrived.

Finally, police were summoned about 11 p.m. to the 2100 block of Kirkpatrick Homes on a complaint of prowlers on the roof. Police reported the roof was clear.

**Harry Deatherage, 71,  
Found Dead in Home**

Harry Deatherage, 71, of 5120 Maryville road, was dead on arrival at St. Elizabeth Hospital at 8 a.m. Friday after he was found dead in bed by his family. He had been ill six months with heart ailment.

Mr. Deatherage was born in Alton and had lived in Granite City 69 years. He retired six years ago as a driver for a beer distributing firm. He was a member of American Legion Post 113 and was a charter member of the Teamsters Local here.

He leaves his wife, Mabel Deatherage; two sons, Harry of Granite City and Leslie E. of Hovey-In-The-Falls, Fla., and two daughters, Mrs. Martin J. Joyce Ann Schradler, Granite City, and Miss Lavana Mae Deatherage, Atlanta, Ga., and five grandchildren.

Funeral arrangements are given in today's obituary column.

**Former Resident Dies  
At Clarendon Hills**

Funeral services were held Thursday afternoon for R. L. Wilson, 68, Clarendon Hills, Ill., a former resident of Granite City for 20 years, who died Tuesday, March 30, in Hinsdale Veterans Hospital. He was a retired accountant for American Steel Foundries, Inc. Burial was in Clarendon Hills.

Mr. Wilson was the brother of Mrs. Florence Cline Smith, 2538 East 25th street. He also leaves his wife, Alice Wilson, a son, William P. Wilson of Santa Clara, Calif. and a daughter, Mrs. Lois Lynn of Hinsdale. Two brothers preceded him in death.

He moved to Granite City in 1903, and in 1923 was transferred to the American Steel plant in Alliance, Ohio, and later to Chicago.

**Washing Machine, Pills  
Send Children to Hospital**

Kimula Schmidt, 6, of 1312 Third street, Madison, received five sutures at St. Elizabeth Hospital at 6:30 p.m. Friday for treatment of a deep cut on the index finger of her right hand. The child suffered the cut when her hand became caught in a washing machine wringer.

**Joe Chandler, 2, of 3904 Kirkpatrick Homes, was given a stomach-lavage and admitted to the hospital Friday evening after eating an unknown number of nerve pills.**

## Divorce Decrees For 3 Area Residents

Three divorce decrees were granted to area residents last week in Madison county circuit court in Edwardsville. They were issued to:

Robert E. Spain of Granite City from Jacqueline G. Spain of Suitland, Md. They were married Aug. 16, 1964, in East St. Louis, and separated the following Nov. 27. He charged cruelty, Benjamin Thigpen of Madison, from Dorothy Thigpen of Chicago. They were married Oct. 17, 1953, in Chicago, and separated the same month. He charged desertion.

Ollie Ward of Venice from Myrtle Ward. They were married June 17, 1918, in Weldon, Ark., and separated in July, 1919. He charged desertion.

**5 GC Accidents  
In 5-Hour Period**

Five non-injury traffic accidents were reported to Granite City police Saturday afternoon in less than five hours.

At 12:15, autos of Anthony Pozorelac, 2603 Iowa street, and Dorothy Fink, S. Roxana, were damaged in an accident on the National Food store lot. At 2:45, a collision at 25th and Center streets involved autos of Chester Eggle, 2609 Center and Jesse Ezell, 2525 Center.

A truck driven by Earl Smith, East St. Louis, and an auto driven by P. G. Dougherty, 2912 Edwards street, collided at 24th and Iowa streets at 3:10; and at 4:30 there was a collision at Nameoli road and St. Clair avenue involving autos of Claude Green, 2454 Illinois avenue, who was charged with failure to yield right-of-way, and Raymond Hillmer, 3000 Idaho avenue.

About p.m. at Nameoli road and Madison avenue, a crash involved autos of Edwin Rich, 2938 Madison avenue, and Billie Gitchell, 1528 Garfield avenue.

**Joseph Smalley, 64,  
Dies Ill Only 2 Days**

Joseph B. Smalley, 64, of 2163 Benton street, died about 12:30 p.m. Saturday at St. Elizabeth Hospital where he was a patient two days after becoming ill. His death was due to heart failure.

Mr. Smalley, a machinist for Central Mines Equipment Co., St. Louis, was a native of Madison. He was a member of St. Joseph's Catholic Church and Machineists' Local 1345.

Survivors include his wife, Laurine; three daughters, Miss Elaine Smalley, Mrs. Louis (C. J.) Bason and Mrs. Elizabeth Lindner; a son, James K. Abrams, a sister, Mrs. Mary Dillon, and seven grandchildren, all of Granite City.

Funeral arrangements are given in today's obituary column.

## YMCA Not Endorsing Hospital Insurance Plan

C. A. MacMillan Jr., general secretary of the YMCA, said today the YMCA is not recommending any type of hospital insurance for senior citizens. MacMillan said he received over the weekend several queries from persons who had been approached to buy the insurance and were told it was recommended by the YMCA.

"We are not doing that," MacMillan said. "I suggest anyone getting such a sales talk to seek information on the insurance from the Chamber of Commerce office before buying."

## Two Autos Damaged

Autos driven by Stanley Bawie of 2036 Beckwith avenue, Madison, and Teria Hoeft of 82 Garcesch Homes, Madison, were damaged at Third street and Madison avenue at 3 p.m. Sunday. Police said Bawie was headed south and the Hoeft car was going north. They collided as Mrs. Hoeft made a left turn.

The Elite Hairdressers, Affiliate 33, held a hair styling competition Sunday for members on the hair fashion committee.

Winners were Earl Parsons, Marcela Rucker and Joanne Provet, all second-year winners, and Carol Kinder and Brenda Marguilen. The judges, appointed by the state director of the Madison County Association, were members of Affiliate 8 from Alton.

In an election of officers for the committee, Earl Tucker was named styles director; Earl Parsons, chairman; Brenda Marguilen, secretary; Marcela Tucker, treasurer; and Sara Dutko, publicity chairman.

Announcement was made of education days on April 25-26 in Marion, Ill., and a meeting this evening at 7:30 at the Rose Bowl, preceded by an executive board meeting at 6:15.

Mary Batson, Earl Tucker and Mary Garofol served as judges at hairstyling meeting of Affiliate 8 in Alton Sunday.

## Skubish Explains Halt Of Lot-Fill Work

Casmer Skubish, Sixth Ward incumbent alderman seeking re-election, today said he stopped a lot filling project at the east end of Lincoln avenue several years ago because city equipment was being used on private property.

"The Forum writer of last Thursday, Mr. William Canbie, has not explained all the facts about filling the lot," Skubish said.

"The truth is, a city grader loading off dirt on the private lot was without the permission of the city and it was stopped. This lot was at least two feet higher than a neighbors' and caused a drainage problem," Skubish added. "City machinery working on private lots is not legal and was not approved by the superintendent of streets."

## Karlechik Replies To 3 Candidates On Nameoki Ballot

John Karlechik Jr., Nameoki township clerk seeking re-election unopposed in tomorrow's election, issued a reply Saturday to the three independent candidates for the town board of auditors, explaining the ballot arrangement that was changed last week by a court order.

"The statement linking the supervisor and town clerk to the unusual ballot arrangement is absolutely false. I alone as town clerk drew up the ballot using the Illinois Revised Statutes as my guide, placing the independent candidates in the order in which they filed their petitions as individuals and not as a party. A similar ballot was voted in Nameoki township in 1967."

"They also stated that it would have seemed only proper for the town auditor to disqualify himself from the electoral board at the time the hearing was held on their petition. They have a short memory. The independent candidates for town auditor through their lawyer signed a stipulation agreeing that the town clerk should sit as a member of the electoral board. In the sense of fair play I was prepared to file a petition in the circuit court of this county to ask for a judicial interpretation of my rights to sit as a member of the electoral board. This I insisted on despite the fact that I was advised by the township attorney that I had proper authority and the lawful right to sit in judgment of the petition objecting to placing on the official ballot the names of Phelps, Hart and Rapac under the party affiliation of Citizens Planned Economy Party."

"The three independent candidates for the office of town auditor have not dealt fairly with the electors of Nameoki township who signed their nominating petitions. One of the independent candidates advised that the nominating petitions being four in number were circulated among the electors with a caption at the top of each, stating that the three candidates were running under a party affiliation—later and before these nominating petitions were filed in my office the caption at the top of the petitions was removed from three of the nominating petitions and these three petitions had printed on them that the three candidates being Phelps, Hart and Rapac were running as independent candidates. The true intent of the electors signing the nominating petitions was thereby frustrated."

"This situation created such a legal entanglement that even the state's attorney of this county admonished the attorney, representing the independent candidates, after the convened hearing, by suggesting that conceivably under the Election Code of Illinois that none of the nominating petitions were in fact valid as a matter of law."

"The town officers electoral board while being duty bound to follow the law decided that in the sense of fair play and to provide the electors of Nameoki township with a right to exer-

## Brick Hurlled in Car

A brick was hurled through the rear window of the 1957 auto of Walter Bernaix, 2551 East 28th street, when the car was parked in front of his home, Bernaix told police Sunday.

Also reported Sunday was a similar incident at 2009 Fourteenth street. Rufus Levart said his 1959 car was parked in front of his home and the rear window was smashed.

dis their choice in the true competitive spirit which fostered this country and our present day system of election to permit these candidates names to be published on the official ballot as independent candidates. The reverse sides of the nominating petitions furnished additional evidence of the confusion and frustration. These petitions speak for themselves and are on file in the office of the township clerk. They may be inspected by any person desiring so to do."

"The independent candidates for town auditor have been loud and long in their harassment and criticism of the present Nameoki township officers. These officers have always followed the law and the dictates of the constitution and have served well. The electors of Nameoki township have a new town hall and a new broken down barn; equipment that keeps the snow off the roads and keeps the roads in repair; drainage, you no longer need a boat to cross the streets of the various subdivisions; and numerous other services. The town officers keep going forward. This applies to not only regular and routine business it applies equally well to the sewer program and land use study."

"The independent candidates for the office of town auditor have available to them the legal machinery to look into all facets of the above mentioned programs. They have criticised but have taken no constructive steps to analyse it and make an honest determination of its merits or possible demerits, they speak but they do not act."

"The interest of these candidates in town affairs is such that prior to November 1964 they were not aware of the location of the new town hall. Despite this, the present town officers express an invitation to these candidates to check not only the above programs but all town records and business activities. Their criticism if honest and sincere and constructively given will be accepted and used to better promote the affairs of the township. Similarly verbal criticism made for the purpose of generating noise, confusion and dissension will be rejected."

## Poulas Says Project Was Timed for Election

Roy "Chicken" Poulas, Third Ward alderman candidate opposing incumbent J. D. "Smiley" Bergfield, said today that Bergfield had two years to push the street removal and that the project could have been completed by this time along 23rd and Adams streets.

"I would like to tell the people that \$54,000 was appropriated and approved for this project on July 21, 1964 and it was not for use of motor fuel tax funds but for regular city tax money. This project should have been completed by last August or September."

"In the past week, we in the Third Ward have been getting what is called the red carpet treatment—I mean the deluxe model. We are getting trees trimmed, alleys graded, street sweeping, curb repairs. I am sure if we could have elections every week, this city could really be proud," Poulas added.

### To All Members of Organized Labor and Friends:

I would like to point out that Mr. Don Partney has a short memory.

During the last city election, when Mr. Partney ran for alderman, he had his signs posted all over our union hall. The same tactics he vows are unfair and represent pressure.

If our effort benefits him, he is happy. If he loses our support he cries "Unfair pressure tactics". Let's not be a bad sport, Mr. Partney.

Our local expects fair treatment and honest consideration just as every union and union member in our city expects such treatment.

I hope all you union members and their friends support the man that will fairly represent the citizens of Granite, Labor, Business, and Industry. It's about time we all worked together to improve Granite City and the lives of all its people. We do not seek special privileges or favors but want respect and fair treatment.

### Police Protection, New Ballots Sought In Madison Vote

Candidates opposed to the Madison city machine are seeking police protection at all of the polling places in the April 20 city election and are planning to file a suit today to have election ballots reprinted.

The request for police at the polls was made to Capt. Emil J. Toffant, in charge of state police District 11 at Maryville. Toffant said he could take no independent action but would require orders from Springfield. He referred the candidates to Madison County Sheriff Barney Frumhoff.

Upon hearing of the request, Mayor Maers replied the request for state police was the same tactic as being used in St. Louis. "There's always the wolf cry. The opposition knows they are entitled to have poll watchers and challengers in the polling places," Maers said.

In the law suit, they plan to ask that names of all candidates be listed in the same column instead of having names of independent candidates spread over the ballot. A ruling last week by Judge I. H. Streeter required Nameoki township officials to reprint the ballots. The independent candidates there also were spread across the ballot.

Signing the letter to Capt. Toffant were Robert Lee Burns, candidate for mayor; L. R. "Pat" Patterson, candidate for treasurer; and Edward Annis and Sam Chomko, aldermanic candidates.

**Fear Violence**  
In the letter they stated, "we fear that violence and other means of intimidation may be used upon the voters. . . . We cannot have an honest election without police protection in every polling place."

The letter states, "The political machine of the city's power is being threatened, and they have begun to resort to threats to voters, harassment for their own ends, and other means to intimidate our voters."

The police department of the city of Madison has once again resorted to being a political police department and such once again being dictated to by the mayor, who is also the political boss of our city.

"Recently, at one of the city council meetings, a lady was in attendance, stood up to ask a question of the mayor, and he had her forcibly ejected out of the room. As you can see, things are going from bad to worse in our city."

Kathy Krcan served refreshments to Mrs. Sasyk and Sharon Leleewski, Kathy McClannahan, Vicki Vokupal, Delores Stumac, Joan and Jane Sasyk, Joetta Pingle, Paula Broadway and Karen Dobrowski.

#### BRIDAL SHOWER HONORS

MISS YVONNE YOVANDIC  
Miss JoAnn Weaver and Mrs. Ann Bolanovich held a surprise bridal shower honoring Miss Yvonne Yovandic, 812 Iowa street, Saturday evening at the Serbian Orthodox Church in St. Louis.

Miss Weaver will serve as maid of honor for the wedding May 23, with Mrs. Bolanovich, Mrs. Doris Foley, Mrs. Judith Chapman, Mrs. JoAnn Gushleff, Miss Judith Steele and Miss Nancy Ropac as bridesmaids.

Lisa Steele and Michele Zorich will be the junior bridesmaids with Linda Jakovics as flower girl. Miss Yovandic will become the bride of James Foley.

The gift table was decorated with white streamers and wedding bells. The refreshment table was centered with an arrangement of aqua and lavender orchids. A silver punch bowl flanked with silver candelabra adorned the table and tiny aqua baskets filled with green flowers were the favors. A buffet table was similarly decorated.

Miss Yovandic wore an orchid corsage. The remainder of the bridal party also received corsages. Approximately 200 attended.

# Rain Stops GC Baseball Team

Rain wiped out two double-headers scheduled Saturday for the Granite City high school baseball team. A game set for this afternoon at Belleville also on the doubtful list.

Since the season began, the Warriors have been able to play just four of 13 games because of bad weather.

In addition to Belleville this week's schedule includes a game Wednesday at Edwardsville and doubleheaders Saturday against Greenville here and St. Peter & Paul at Waterloo. Last Saturday's twinnings were to be with Sparta and Cahokia.

Coach Joe Federa's squad owns a 2-1 record after taking an 8-3 Southwestern Conference loss from the Alton Redbirds here Thursday afternoon. The Warriors are 3-1 in the conference.

Righthander Ron Ealey limited GCHS to six hits in the contest. The Redbirds tallied seven of their runs in the third inning.

The Warriors' hits were collected by Fred Hoffman, Gene Bryant, Larry Johnson, Tom Stutch, Art Taylor and Doug Winfield. Winfield was the fast of five pitchers used against Alton.

The Redbirds' big third-inning explosion came with two outs. Jim Brown delivered the big blow, a three-run homer. Then Dan Kennedy rapped a double and four walks brought in two runs. Gary Boyd drove in two more runs with a double. They had seven unearned runs.

Belleville and Collinsville lead the conference with 1-0 records with Alton standing 1-0-1 due to a tie with Edwardsville that will be played off if it affects the final standings. Next are Granite City and Wood River at 1-1, Edwardsville at 0-1-1 and East St. Louis at 0-2.

Score by innings: R H E  
Alton 107 000—0—3—6  
Granite City 030 000—3—6—4

Ealey and Federa, Eusebio Thompson (3), Rains (5), Turpin (1), Winfield (7) and Hauptman.

## Banquet Puts Winter Teams In Spotlight

Milton F. Sprunger, who served the Illinois High School Association for two decades, will speak on "High School Athletics Yesterday and Today" at the annual winter sports award banquet at 6:30 p.m. tomorrow at Granite City high school.

MAIN SPEAKER of GCHS banquet will be Milton F. Sprunger, former IHSAA official.

He served 20 years on the National Football Rules Committee, several terms on the National Federation of Baseball, the IHSAA. His primary duties were organization of the state wrestling and track meets, supervision of officials and publication of the IHSAA magazine, Illinois Interscholastic.

Sprunger retired last year as assistant executive secretary of Committee and a term as representative on the Basketball Committee of the United States and Canada.

Clifford B. Fagan, executive secretary of the National Federation of State High School Athletic Associations, wrote of Sprunger: "Milt was never satisfied to have things continue as they were if there was a possibility of improving them. He was constantly searching for ways to make the athletic program of the schools more effective."

"As a result of his direction and leadership, the officiating of interscholastic contests in Illinois is among the very best in the nation. His rules interpretation meetings have, for years, set the highest standards."

Since his retirement, Sprunger has lived in Champaign in order to be close to athletics and in particular the state prep tournaments.

The banquet will honor the GCHS wrestling team, which won a share of the state championship and the Warriors basketball team. Coaches will announce letter-winners.

Tickets, \$2.50 each, are available at the high school.

## Alton Meet Set This Afternoon

Rain postponed Saturday's Alton Relays and threatens today's rescheduled 4 p.m. starting time. The weatherman predicts more showers.

Stock car racing for 1965 begins Saturday night at Tri-City Speedway, four miles north of Granite City on Route 203.

Time trials start at 7:30 p.m. and races at 8:30 p.m. Manager Carlton Farless said many drivers are working on new racers and more later model cars will be used in the fender-bender events.

## Tri-City Speedway Reopens Saturday

Time trials start at 7:30 p.m. and races at 8:30 p.m. Manager Carlton Farless said many drivers are working on new racers and more later model cars will be used in the fender-bender events.

Sprint cars will continue to spice the faster-paced super-modified field. Races featuring late model stocks will be held once a month, Farless said.

## Little League Trials Rescheduled Saturday

Nameok Little League tryouts have been rescheduled for 10 a.m. Saturday, after last Saturday's session was rained out.

This week's trials will be for both Little League age groups, eight through 12 years. Boys will be registered and should be prepared to give name, address, phone number and date of birth.

Henry Thomas, league president, urged parents to park along the street Saturday — not in nearby merchants' parking lots.

## 3 Granite Cityans On Eastern Squads

Three Granite Cityans are lettermen on Eastern Illinois University spring sports squads. Infielders Bob Hoffek and Larry Diak, both seniors, are back with the talent-laden baseball team. They are among 19 lettermen from last season's 23-7 team.

Sophomore Bill Logan returns to the tennis team. Last year Logan and Tom Sterchi of Olney advanced to the quarterfinals of the NIAA doubles tournaments.

## Trojans Face Two MW Foes After Defeat

Madison's Trojans resume baseball activity this week after losing their Midwestern Conference opener 12-2 Thursday to the host Highland Bulldogs.

Coach Earl McClanahan's team is scheduled for Midwestern home games this afternoon with Bethalto's Eagles and Thursday afternoon with the Dupu Tigers.

The Trojans played on even terms, 1-1, with the defending champion Bulldogs for three innings Thursday. Then three errors, a walk, hit batsman and two hits led to four runs for Highland in the fourth inning.

The host club added six more runs in the fifth and ended the game on the 10-run rule by scoring a 12th time in the sixth.

Greg Wasylak hurled the first four innings for Madison with Willie Harmon finishing up. Both pitchers were hurt by fielding miscues.

First baseman Marv Owea slapped two hits for the Trojans, both scoring lead-off batter and shortstop Lou Ratliff. Owea singled in the first inning and doubled in the fifth. Ratliff's first inning single was the only other hit off Highland righthander John Spengel.

Highland, with most of the key players from 1964 returning, is favored to repeat as conference champ under new coach Roger Kesner. Highland had an 8-2 league mark last year, followed by Cahokia 6-4, Roxana 5-4, Bethalto 3-4, Dupu 3-6 and Madison 2-6.

## Score by Innings:

Madison 100 010—2 3 4 6

Highland 100 461—12 6 2

(Called 10-run rule)

Wasylak, Harmon (5) and Cook; Spengel and Waring, Fechner (5).

## Golfers Edge Alton by One

Granite City's golfers edged Alton by one stroke in the opening high school match Friday at the Army Depot course. The score was 189-190.

Paul Greve and Gerald Karandoff both carded 46 for coach Harry Lane's Warriors. Far is 36. Individual scores follow (best four only included in team total).

GRANITE CITY 189 — Paul Greve 46, Gerald Karandoff 46, Terry Tessey 47, Bob Wheeler 50, Jim Meach 52.

## Alton Sops Down Granite City 16-11

Alton outscored Granite City 16-11 in sophomore baseball Thursday at Wilton Park. The loss was the local high school's second in two outings.

The young Warriors, however, ran the bases well and slugged nine hits including a three-run homer in the fifth by Carl Benson. Benson also had a double and single in three attempts.

Bob Johnston hit a first-inning triple while Ray Harkins drove in two runs and Mike Presley one run with doubles. Alton made eight hits but benefitted from 12 GBIS errors.

## Bradley Names Harris

Ron Harris, former Edwardsville high school coach, has been named freshman coach at Bradley University. Harris coached this year at Canton Junior College, where ex-Madison star Cecil Bell was one of his top players.

## Maxvill Goes Hitless

Granite City's Dyl Maxvill went hitless in three hits Thursday as he started at shortstop in the St. Louis Cardinals' 11-9 loss to the Chicago White Sox. He did not appear in the next three games and currently has 4-for-15 in spring training.

## MHS Trackmen Withdraw

Madison high school's team withdrew from Thursday's track meet with Southwestern and Civic Memorial. CH hosting the meet at Bethalto, defeated Southwestern 61-57. The Trojans will open Wednesday against Highland and Dupu at Dupu.

## Champion on Target

Larry Yobly, member of the recent-graduate, junior state champions from Tri-Mor Bowl, continued his fine shooting Saturday in the Senior Boys League. He fired a 695 series on games of 248, 190 and 168.

## LaMew Takes State Title

Brian LaMew, Granite City, is the 1965 YMCA state champion weightlifter at 123 pounds.

LaMew, son of Mr. and Mrs. Ray LaMew, 1501 Kirkpatrick Homes, won the title Saturday at Decatur. He is also Ozark AAU titleholder and advanced to the state by winning the YMCA District IV championship.

His total was 470 pounds in the Olympic-style competition. His lifts were: press 155, snatch 150 and clean and jerk 185.

## Soccer Tournaments Open With 7 Games

Seven games were played yesterday as the YMCA Soccer League-sponsored boys' soccer tournaments started at Coolidge high school.

In the Bantam meet, Buzz's beat St. Louis A. C. St. Ann's (topped Gitchoff Agency and Seven Holy Foundry defeated Granite City Steel Credit Union, all 194 by 2-1 scores. The latter two games went into sudden-death overtime.

In the Atom tournament, it was Seven Holy Foundry 4, Mexican Honorary Commission 0; Watson 4, Ronny Boys 1, and St. Ann's 3, Mitchell A. C. 0.

Uncle Charlie's and St. Mary & Joseph played to a 6-0 tie at Spruce street. West Granite state 15 p.m. tomorrow. Saturday's town firemen reported there was tournament games were post- no loss.

## Clothes Catch Fire

## Nickel Plate Drops 1963 Tax Protests

Another court order permitting withdrawal of tax objections against 1963 property valuations was issued in Edwardsville today by Circuit Judge James O. Monroe, who signed the order on petition of the Nickel Plate Railroad. At the same time, a stipulation for withdrawal of similar objections by the Wabash Railroad was filed, but an order has not yet been issued in that case.

Withdrawal of objections by the Nickel Plate will mean distribution of \$45,652 in taxes that had been tied up by the line. The Wabash order, when signed, will release another \$11,178 in protested taxes.

The actions followed a recent petition by the Terminal Railroad Association, largest taxpayer in the county, to withdraw its valuation protests involving \$71,082 in taxes. According to State's Atty. Joseph Bartylak and Assistant Burton Bernard, who has been handling the rail line tax protests, the railroads withdrew protests because of recent allegations by the county that the lines had failed to apply for revision of their valuations by the State department of revenue, which was a legal course left open to them when the values were first fixed.

## Special Care Required For Plants Inside Homes

Madison County Home Adviser, Home Economics Extension University of Illinois

**Plants in Planters**

Plants used as room dividers or as decorative accessories are often far from a window. And the foliage plants you put in the soil suffer from insufficient light.

The result is long, spindling plants that aren't very attractive. You can, however, get that light by putting plants in dim light. It just takes a bit of adjustment.

It would suggest these tips for growing foliage plants in dim light:

Water the plants to saturation but only often enough to prevent wilting. To acclimate the plant to dry-soil conditions, start watering to saturation when gradually lengthen the intervals between waterings. Don't be alarmed if some of the leaves fall off. This is part of the readjustment. Just be sure the plants are healthy.

Fertilize the plants more sparingly.

## EASTER SUNRISE SERVICE 1st UNITED PRESBYTERIAN 2100 DELMAR EASTER SUNDAY AT 7:30 A.M.

## HELP MRS. BETINEC SWEEP AS MAYOR

My dear ladies and men of Granite City:

There is a bond that exists between ourselves and myself.

With the men there exists that common bond of being the breadwinner, or bringing home the bacon for these many years for my three children since they were infants just as you are doing. They are now raised to manhood and womanhood. As you are doing, so have I been doing in this world where one attempts to eke out a living and raise a family. There was a very slight disadvantage insofar as getting a decent family wage. Women receive less pay than men, without a like decrease in living expenses. Starting out alone in 1945, I was as green as green can be about the world; of what it can do to you, how it can treat you. It is well we do not see in advance the trials to be set before us.

With the women, I have that common bond of being a mother and taking care of a home, in addition to bringing home the bacon. I concentrated all my resources on the raising of my children in the most perfect manner I knew. My wonderful, beautiful convent training, from which I was forced to return home due to ill health, especially equipped me to teach them what I learned. I lived a secluded life with them, excluding everything which took time or presence from this prime responsibility. For this, I have been more than richly rewarded by Him. He took two of my children to be His chosen ones (the third, perhaps the best, is undecided) to labor in His field, for His interests, for His greater honor and glory.

This latter has been more than enough honor and reward for any one woman, for any one man, or any one person to bear. There is an almost inexpressible ecstasy about this that is beyond description or comparability to the unexplainable emptiness, of being bereft of all one has. Nothing can ever exceed these highest honors, rewards, blessings from Him; treasures which shall neither rot nor perish with time.

Then came another unexpected signal honor and privilege; that of having been allowed to extend my scope of influence from out of the bounds of my little home to work for the Seventh Ward, for whom I hold a special affection, as an elected official. I did not pray for that honor. I asked that His will be done; that I do His will. I have done what I could as a good work for Him, with Him.

Now, I have come to such years as have brought me to the candidacy for First Woman Mayor of Granite City. I am not seeking the office of Mayor for my personal benefit. If the dear Lord permits, and the people willing to choose, I shall continue, first of all, to serve Him. This has been and still is the only promise from which I know how to work, think, or act. I have always been convinced that what is His best interests is, at the same time, the best, the fairest, and the most equitable course for all people.

I cannot predict what will happen in this election as can no one else. Each has his own free will; each to do according to his personal conscience. This God-given free will cannot be forced by Him, should not be forced by any one, is that free will for which each and every one of us is answerable.

There is a tremendous amount of good work that is necessary to be done. I would love to do it. I am able to do it, both from theoretical and practical experience standpoints. In any case, it is your choice. There are no regrets; there exists only good will to all. God love you.

Prizes were awarded in the games and refreshments were served.

Miss Mance will be married Friday evening at Second Baptist Church to Kenneth Mitchell.

## Avoid Torn Wrappers

Whether you buy fresh chilled or frozen poultry, if you intend to put it in the freezer, be sure the wrapping is tight and there are no tears.

Freeze poultry that's exposed to air dries out quickly, may turn dark and develop off flavors.

If you wish to repack the poultry to put in the freezer, or legs of several birds together, or to make packages larger or smaller, use the freezer wraps available at most supermarkets.

Press the wrapping close to the bird to force the air out. Then fold ends upward and over until package is tight.

Store frozen chicken no longer than a year. Turkey, goose and duck should be used within six months.

**THE  
WGNU  
CLUB  
DERBY!!**  
BY...MR. GNU

Well, tomorrow is the big day - first turn in for the Club Derby at the Rose Bowl - 10 a.m. Also, we've heard rumors that something else is happening in Granite City tomorrow - an election! May the best club win... may the best candidates win!

Two hundred dollars will go to the first place club tomorrow and another two hundred dollars will be distributed among the next four clubs.

Remember that your club must turn in a minimum of 500 entries for tomorrow's Grand Cash Awards totaling \$1000 or any of the Grand Merchandise Awards including the 1965 Buick Station Wagon.

After you read this there is still time to accumulate points and looking at the coupon turn in, it is very close. Perhaps the 25 points you get for opening a charge account at either Friedman's Furniture or Lender's would be just enough to put your organization into the money.

We've had scattered reports of club members soliciting points and stamps in the sponsor's places of business - again we must say that this is not allowed. If a customer is shopping without the incentive of the Club Derby program he must not be recruited into the program at that time - would suggest that you check with him later.

New bonus coupon sheets will be distributed tomorrow to be used during the month of April and there'll be some pleasant surprises thereon. Since the number of sponsors has grown so, there will be 22 coupons on each sheet, and the big plus for the club that works: 5,000 great big bonus points for any club that turns in at least 25 coupons for EACH sponsor!

Can't say too much for our newest sponsor - Mueller's Home Sauisages, 2405-(rear) Lincoln. You have never tasted anything so good - and with your purchase you get not only points but stamps, too.

Those of you who have been bowling at Bowland will enjoy an extra treat at tomorrow's turn in - a Brunswick bowling ball and bag will be awarded.

With April here summer isn't very far away and huge point totals can be yours if you purchase an air conditioner from Frankie Townsend on Nauvoo road.

And for repair work on any appliance, of course, it's Mathes on State Street for good work - and club derby points.

Clothes for Easter? Make It Gamm's for shoes, Leader's for women's wear and Schermer's for men and boys.

Rectifying a bit of confusion on Krey ham wrappers - 150 POINTS for regular ham wrappers, but a great big 150 POINTS for the Krey Gourmet ham wrappers - and what better delicacy to serve for that Easter brunch?

Easter cards from Kline's, Easter jewelry from Hurwitz, an Easter ham from Madison Beauty Mart will add to those point totals.

And for the general groceries for the big Easter weekend make it Sav Mor Supermarket in Madison or Maryland Supermarket on Pontoon road.

If you don't plan on a new suit or dress for Easter, have the ones you own cleaned at Tri-City Cleaners on Madison Avenue - know the difference.

How about a family group picture for Easter? Lazebny will not only do a great job - but points and stamps besides.

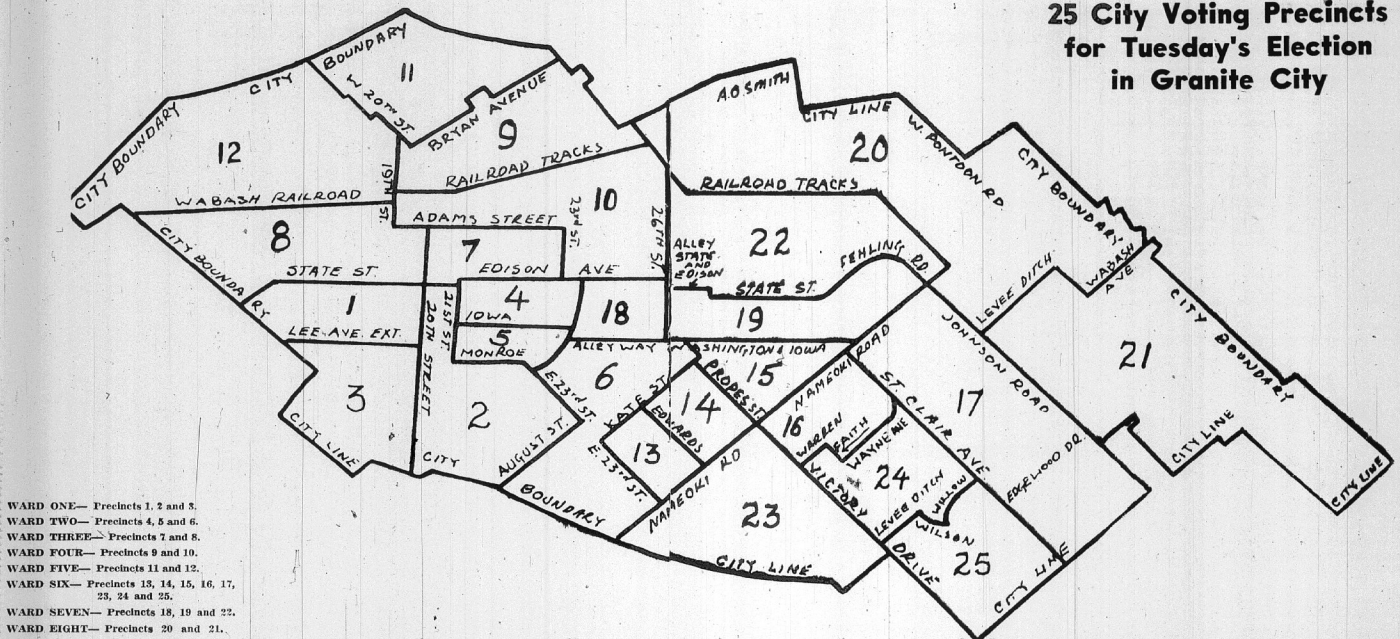

Merle Norman will give cosmetics demonstrations to clubs - good for bonus points - and, heaven forbid, if you get the outfit from too many clubs, you'll miss the Easter Parade, have no prescription filled at Midtown Pharmacy, only place in town where you get points with the medicine.

Again, if any chairman can't make it tomorrow because of the election work call Ann Burton for other arrangements.

And listen to her daily at 9:30 a.m. and 2:30 p.m. for the latest in Derby news. Where? WGNU, 920 kcy, of course!

## Polling Places for the 25 City Voting Precincts for Tuesday's Election

Polling places will be open from 6 a.m. to 6 p.m. in 25 locations for tomorrow's city election in Granite City. The above map is printed so voters can determine their proper precinct. Because of different boundary lines in most instances due to 25 city voting precincts and 32 township precincts a number of the polling places for the city precincts are in separate locations. Many Granite Cityans will be faced with going to two different polling places—one to vote a city ballot and another to vote the township ballot. They also must go to a third polling place to vote in the park district election. The city precinct polling places are in the following locations:

## State Capitol NEWS

### OPENINGS AT DIXON

Nursing administrators and instructors are urgently needed at Dixon State School to implement an on-the-job MDTA training program.

Salaries for positions range from \$480 a month to \$940 a month, depending upon level of experience. These are merit positions under the jurisdiction of the State Merit System and offer nurses with bachelor's degrees, either experienced professionals or those just beginning their professional careers, an excellent opportunity for career development.

For further information about the job openings write to the Department of Personnel, 508 Centennial Building, Springfield, Ill.

**SOIL MOISTURE IMPROVES**  
Soil moisture supplies continued to improve across the state during the past month, according to the Illinois Weather and Crop Bulletin. Soil moisture was reported as adequate last week by 82% of the reporters of the Illinois Cooperative Crop Reporting Service.

Livestock have generally remained in good condition despite muddy lots and changeable weather.

**ILLINOIS POVERTY MAPPED**  
Gov. Kerner has released a 391-page study mapping the range and depth of poverty in Illinois.

"This demographic analysis," the governor said, "provides the body of fact with which the Illinois Office of Economic Opportunity and our local communities can now seek federal funds for local community action and anti-poverty programs. As such the study constitutes an indispensable first step in a coherent plan for conquering poverty in our state."

The highest volume of poverty is to be found where the population of the state is concentrated—especially the Cook county region containing Chicago and a number of adjoining areas. Scattered in line are East St. Louis and several cities in Madison and St. Clair counties.

When attention is turned to density, or "per capita" poverty, a block of adjoining counties in the southern tier of the state emerges as hardest pressed: Alexander, Gallatin, Pope, Pulaski and their neighbors, with such cities as Cairo, Metropolis and Mount Vernon, showing some concentration, along with the more rural sparse, but poverty-stricken areas.

**THERE'S GOLD IN THEM THERE TREES**  
Uninformed owners of stands of walnut trees have been frequent victims of unscrupulous buyers. The Illinois Department of Conservation advises all owners to contact the State Forester before making any deal to sell walnut trees. A man will be sent to estimate the true worth of the walnut, and there will be no charge for the service.

The department also encourages the planting of walnut seedlings, since walnut lumber is one of America's most valued hardwoods and is becoming more scarce each year. Seedlings are available from Mason Nursery, Topeka, priced at \$10 per 1000. Orders, for reforestation purposes only and in quantities of no less than 300, may be ordered until April 16.

**M/SGT. JOHN L. DAVIS JR.**, Granite City Army Depot soldier who holds the "Distinguished Pistol Shot" award, one of the most unusual in the United States with a history traced back to the 1800s. A photo of the award is inset.

## Depot Soldier Holds U.S. Award as Sharp Shooter

A Granite City Army Depot soldier holds one of the most unusual sharp-shooting awards available in the United States.

He is M/Sgt. John L. Davis Jr., operations sergeant of the 580d Engineer Group (M&S). He holds the "Distinguished Pistol Shot" award, only the 17th made since the pistol matches began back in the 1800s.

The award can be won only one time, and Sgt. Davis made it in 1957 while stationed at Fort Lewis, Wash. But since that time he has earned eight additional credits in lieu of awards.

In winning, Sgt. Davis scored in the top 10% of the participants in a series of matches using a .45 caliber service automatic with certain modifications as the prescribed weapon. Top possible score is 300 at all matches.

In the Sixth Army match at Camp Roberts, Calif., he scored 276, and hit 286 in the U. S. Army Pistol championship at Fort Benning, Ga., and 274 in the National Trophy Individual Pistol match at Camp Perry, Ohio.

After the 1957 matches, Sgt. Davis was assigned to the U. S. Army pistol team at Fort Benning where he remained three years.

After the 1957 matches, Sgt. Davis was assigned to the U. S. Army pistol team at Fort Benning where he remained three years.

Sgt. Davis, a native of Nelson, Mo., where his parents, Mr. and Mrs. J. L. Smith Davis reside, was graduated from Nelson high school in 1945. He has a year's credit with the University of Berlin in Germany, acquired while stationed in Germany with the Army.

He entered the Army in June, 1945, at Camp Wolters, Texas. He and his wife, Erika, reside on the post with their sons, John L. III, 15, and Jeffrey T., eight. In civilian life, Sgt. Davis was a gunsmith and was self-employed.

Granite City PRESS-RECORD  
Mon., April 5, 1965 Page 15

a passenger in the auto of Carolyn Randolph, 17, of 2217 Dewey avenue.

The driver of the third auto was Eddie Krabach, 2443 Eway avenue. Police said all three autos were traveling north when there was a sudden stop.

**Four Youths Hurt**  
Four teenage boys were injured at 5 p.m. Friday when the car in which they were riding went out of control on Rural Route One, south of 96-40 on the west side of the canal, and overturned three times. The car was extensively damaged.  
The youths were taken in a private car to St. Elizabeth Hospital where they were given treatment and released.

Injured were Craig Garvin, 17, of 2837 Idaho avenue, treated for head injuries; Leo LaBoue, 16, of 2118 Washington avenue, driver of the car, treated for abrasions to his head; Barry Stuart, 17, of 2549 Center street, abrasions to right shoulder, ribs and side and pain in right foot; and Mike Range, 16, of 2436 Grand avenue, abrasions to right side and hip.

**Auto Hits Pole, 2 Hurt**  
Two men were hurt about 3:10 a.m. Sunday when their auto went out of control in the 1000 block of State street and struck utility pole. Madison police said the driver was Clarence Norman, 26, of 5151 Lakeview drive; the passenger was Ralph Detmer, 25, of 1724 State street. Norman said he swerved to avoid a parked car and hit the pole, went out of control.

A hit-run motorist who backed into a parked car in the 2000 block of Illinois avenue caused injury to two occupants of the parked auto and then fled the scene. It was reported to police at 7:40 p.m. Saturday. Injured were Ricky Morgan, 5, and Leslie Morgan, 29, both of 1743 Delmar avenue.

**Hurt Early Today**  
Theodore Bertry, 22, of 840 Niedringhaus avenue, was injured about 12:15 p.m. today when the auto he was driving in the alley at the rear of 2012 East 26th street crashed into a utility pole at that address where he was making a turn. He was taken to the hospital by ambulance.

Police said Bertry was driving west in the alley when he lost control of the car.

**Motorist Hurt Today**  
Charles M. Sharp, Granite City Army Depot, was charged with improper lane usage after he collided with an auto driven by James A. Rogers, St. Louis, at 7:45 a.m. today. Sharp was passing a line of cars on Niedringhaus avenue because rail crossing gates were down. Rogers came out of Adams street through a space left by other autos, and the left front of each car was damaged. Sharp suffered minor injuries.

**Thrown From Car**  
Mrs. Mary Ellen Donohue, 35, of 2523 Lynch avenue, escaped serious injury when she was thrown from her car which collided with another, driven by Joseph L. Hlad, 77, of Lemay, Mo., at 10:15 a.m. Saturday on Namecki road at Courtenay boulevard.  
She was taken to St. Elizabeth Hospital for treatment of abrasions and contusions to the left leg and elbow, and a head injury. State police said she was driving south on Namecki road as Hlad pulled out of Courtenay, causing the collision.

Robert Pagan, 23, of 4720 Namecki road, suffered pains when his auto was struck on the left side at 1304 Madison avenue on Saturday. He was taken to St. Elizabeth Hospital with soreness in the left side of the neck, shoulder and arm. X-rays were taken. The other driver was not identified.

**Admitted to Hospital**  
James Harmon, 29, of Alton, was admitted to St. Elizabeth Hospital for treatment of a half-inch laceration to the forehead, multiple scratches and injuries to the left knee suffered in an auto accident. A report of the accident was not available.

**Driver Hurt, Faces 2 Charges**  
Rex Ennis, 45, of 2662 Edwards street, who suffered minor injuries was charged with striking a parked car and driving while intoxicated following an accident about 2 p.m. Saturday on 22nd street at Edison avenue. Police said he was going north and making a right turn when his auto hit a parked car belonging to Mildred Good, 2400 Grand avenue. Ennis was taken to St. Elizabeth Hospital in custody at his home, police said.

der which the levee district was organized. The act allowed issuance of bonds without referendum up to 2.5% of the district's assessed valuation.

The complaint filed by the 15 Quad-Cityans challenged the legality of the act, hoping to halt the issuance of the \$1,390,000 issue which, at that time, would have placed the levee district dangerously close to its bonding limitation.

In subsequent hearings, however, the temporary injunction was dismissed and a hearing was held in circuit court at Edwardsville.

Race for Time

While the suit was pending, the levee board was racing for time. The 1961 session of the Illinois legislature had approved a bill requiring a referendum on general obligation bond issues after Jan. 1, 1963.

Unless the litigation involving the taxpayers' suit was disposed of prior to the Jan. 1 deadline, the levee district would be unable to sell the proposed \$1,390,000 issue without a referendum.

Early in December, Circuit Judge James O. Monroe Jr. ruled against the Quad-City plaintiffs, but under the date of the ruling the complainants had until Jan. 3, 1963, to file an appeal of the circuit court decision.

How Public Was Outmaneuvered  
By adhering to the appeal date the taxpayers hoped they could, in effect, kill the bond sale—since it was assumed no bonding firm would buy the bonds while litigation was in progress.

The committee refused to budge from its position until Jan. 2, when it was learned that the John Nuyven & Co. bonding firm of Chicago, despite the fact that an appeal of the circuit court still was pending, had purchased the levee district bond issue and had delivered the money to the levee district under the date of Dec. 28, 1962.

In this move alone, the levee district demonstrated its willingness and ability to thwart the wishes of its constituents and to circumvent conditions which threatened its income from bond sales.

and bridge funds, there is no such fund for Granite City township because streets are under jurisdiction of the city street department.

In Venice township, the total budget of \$192,255 is \$995 less than the 1961-62 appropriation and includes \$50,445 for the town fund, up \$7545 over last year; \$110,100 in the general assistance fund, down \$17,500 from last year; a total of \$24,200 in the road and bridge fund, down \$2000 from last year, and \$7310 in the municipal retirement fund, up \$1960 from last year.

Nameoki Budget Up  
Nameoki township will submit for approval a total budget of \$113,745, which is an increase of \$6405 over the previous appropriation.

It includes \$41,850 for town fund purposes, of which \$20,690 is in salaries for public officials. Last year the total was \$37,445 of which \$18,125 was for salaries. The increase is in raises to \$2500 in the town clerk's salary from last year's \$1235; town auditor's, \$2400, up \$800 from last year's \$1600; and \$2500 for deputy assessors, for which there was no budgeted item last year.

The Nameoki general assistance fund remains unchanged at \$31,000, and the road and bridge fund is increased \$2000 from \$38,085 last year to \$40,085.

In Chouteau township, the total of the new budget is \$45,485, including \$20,255 for the town fund and \$25,230 for relief. The budget was reduced by \$12,000 because of a balance, according to Supervisor Joseph Troekler. The new tax levy in Chouteau will include \$19,850 for the town fund and \$12,000 for the relief fund.

### CITIZENS EXPERIENCE OF NAMOOKI TWP. PARTY

To the Editor:

I wish to commend all the candidates of the Namooki Township Improvement Party for the manner in which they have conducted their campaign for re-election to offices they now hold, and the manner in which they have coordinated their efforts to make Namooki township a better place to live.

The candidates for the town board, William G. Schreiber, Herbert E. Pulley, Robert Strackelmann, members of the Improvement Party, are self-employed or in private industry and are not listed as jobholders by the Levee Board or the state payroll. These are men of experience, ability, and integrity, and have a very high regard for civic duty and for improvement of Namooki township.

These men are handling the taxpayers' money with forethought and thoughts of economy, and are doing an excellent job for the people of the township.

All of the candidates of the Improvement Party are pledged to work for harmony and for the good of the township. As they come from the township, everyone can see that this will benefit all the citizens of Namooki township, not just a privileged few.

**JUDGE CANDIDATES BY RECORD, NOT PROMISES**

To the Editor:

After listening to all the pros and cons of the campaign speeches and the advertising, I've come to a number of conclusions:

- (1) The past has proven that you cannot believe a politician on what he says he will do.
- (2) A voter should vote on only the past record of a candidate.
- (3) Watch the campaign closely and see how the candidates spend money in the campaign, as they will probably spend the taxpayers' money the same way.
- (4) Only two candidates are worthy of my support for mayor, Sam Whittier and Dan Partney. Both have had good records as aldermen.

Now some questions I can't answer.

- (1) I cannot understand why the Tri-City Labor Council did not endorse Don Partney, Cruse, because he is endorsing on Wgmu, which is not on the "don't patronize list" of the labor council.
- (2) Where is all the money coming from for the big billboard signs for Von Dee Cruse? He has it that part of it is coming from out-of-town residents. Why has he reported his income to the public, as he said he would do when he was running for assessor? Has he been fair property assessment? I don't think so.
- (3) Why can't a city of 40,000-plus have a primary election? That way, there wouldn't be so many candidates to split the vote or to take a vote away from another candidate. Maybe if enough people would ask their aldermen, we could have a primary in the next election.

Here's hoping the people of Granite City will not be misled but make at their business to be informed on each candidate running for office.

### CRUSE HAS FAIR SINCERE RECORD; OUTSTANDING

To the Editor:

In the closing months, certain aspects of this campaign have reached local ears. I no longer hold our tongues and pens.

One of the nicest, most sincere people we know, Von Dee Cruse has been made the target of some pretty sick material. It is unfortunate that most of this distorted handbills and other literature originate among the supporters of one of the candidates for mayor, Material such as this is the result of desperation on the part of a man who has no constructive purpose or plan. We, of course, are happy to know that this candidate feels that Von Dee is the man for the job and this is as it should be.

We have watched Von Dee perform his duties for the last eight years and we know full well that he has done a good job. Granite City has the most fair property assessments in the entire state of Illinois. He cares about people. He has to sit and watch while others frittered away public money and he caught the blame.

Let us tell you now, Von Dee Cruse has sincere purpose. He has given a lot of thought to his proposals and program. We know him and his supporters. He has not made one promise—except to do a good job.

We ask you to have faith in Von Dee and his sincerity. He has conducted himself like the gentleman he is. We know he will get down to work and provide the leadership we must have to give our city direction and purpose.

### SUPPORTING SKUBISH

To the Editor:

I have read all of the Forum letters in the paper and I would like to express my views. Casmer Skubish has been a good alderman we have had since I have lived here; that is nine years.

He has dropped whatever he was doing to answer my call and other calls that I know of. He has time for everybody.

He has done a good job and will keep right on doing it.

### FAVORS STERNBERG ON INTELLIGENCE, ABILITY

To the Editor:

Both historically and factually progress has been accomplished year after year in our country through the efforts of people who care.

There must always be people who care who have a genuine and honest concern for the problems of their neighbors, their community and their nation.

They accept and welcome the responsibility of responsible leadership because of a particular need at a particular time.

Since the government has some effect on almost every aspect of our life, we should select our public officials on the basis of good character, high intelligence, ability and the qualities of experienced leadership. In my opinion, a public official ought to be a person who really cares.

I believe that G. H. Sternberg has these qualifications. I believe that he will be elected our mayor on April 6 because I believe the people of Granite City also care.

### UNION MEMBERS FAVOR FRY FOR ALDERMAN

To the Editor:

It's a fact that over 60% of the Dow employees and union officials live outside of the city of Granite and do not pay taxes here; yet they want to dictate the government of the city.

Any intelligent citizen knows that part of a company employee's duty is to report to his plant during a strike. If this were true we would have socialism or government instead of a democracy.

I have seen Richard Fry's name and signatures on the members of organized labor of Granite City.

It is a fact of the approximately 40 Dow union members living in the Sixth Ward have signed his petition, indicating they know that Richard Fry will be fair to organized labor as well as all residents of the city of Granite City.

### DEBATE WOULD HAVE SHOWN QUALIFICATIONS

G. H. Sternberg proposed a radio debate with Von Dee Cruse and Cruse called it an "obvious campaign trick" in that it would have dealt with the extensive and negative of Cruse's qualifications, rather than those of both candidates.

The preceding was part of a news article in the Press-Record March 29. I think that it should be brought to the attention of the public. The voters should see that Cruse is far from the qualifications of a candidate.

It appears that Cruse realized that Sternberg was not a man with qualifications. It also shows a lack of education on the part of Von Dee Cruse. If Cruse has many negative qualifications, he should not be running for mayor, machine or not.

My aunt, residing at Sternberg sign at her apartment in Kirkpatrick Homes. After investigating, I found that this was unconstitutional and removed them. In the meantime, one of the candidates for mayor, Material such as this is the result of desperation on the part of a man who has no constructive purpose or plan.

### JUDGMENT, ATTITUDE OF ALDERMAN PRAISED

To the Editor:

I endorse Casmer Skubish, present alderman, for re-election as my choice, for our alderman in the next four years. His mature judgment and general personality have been reflected during the past years in which he has labored to bring about better things may have been different.

I think that the voters of Granite City will elect him as my choice for the next four years. I think G. H. Sternberg's best judgment for our mayor.

### Duty of Each Citizen To Cast Vote Tomorrow

"Don't forget. Vote April 6-10."

Because they realize that a large voting turnout is the best way to elect a good government, the citizens of Granite City are being urged to cast their ballots at the polls tomorrow.

The distributors will be out again tonight, not to aid the cause of specific candidates but to remind the public that it is a duty as well as a privilege to vote. They know that if nearly all people vote, the results cannot help but accurately reflect citizens' preferences. It is when only a few cast ballots that unqualified candidates are most likely to emerge victorious.

Tomorrow, April 6, is the day on which many important municipal, township and park offices will be decided. If virtually all eligible voters take the trouble to mark their ballots in some instance they will involve steps at three types of polling places—the cause of good government will be advanced.

No one knows with certainty who will win the various election races. But it is certain that each citizen will be a winner if there is participation by a high percentage of the voters.

Private business also has prospered with land use and building regulations, Illinois Power Co. electric customers in Madison county, which have increased from 48,137 in 1960—before zoning—to 52,061 now, a gain of over 8%, reflect the benefits accruing to all segments of the economy.

Building code and zoning laws often contain that major businesses have moved away from or refused to locate in Madison county because of these laws. If they ever mention a specific company in this regard, the Promotion Committee of the Madison County Citizens Planning Commission (115 West Main street, Collinsville) would like to be advised. It has yet to learn of even one.

### Facts Show County Prospering With Zoning, Building Codes

Are zoning and building controls curtailing Madison county growth?

The answer is "no," a review of pertinent facts makes clear.

### FOUR-YEAR TERM BUT 60-DAY OFFICIALS

To the Editor:

A sure sign of spring, especially in an election year, is when a man with a strange face enters your yard smiling, pats your dog and comments about your neat property and beautiful and intelligent children.

He further comments, "This brilliant little fellow could be a future president of the U. S., so the little daughter could become the first lady some day. This small boy could become a great governor of our state."

At this point he introduces himself as an aspiring candidate and hands over his card and brochure.

Unfortunately, too many of such candidates are not what they seem. They are only 60-day officials. They do little or nothing to benefit the community for the first three and 10 months of their term. Then two months before the next election they get busy.

I am afraid we may have such an alderman running for re-election in the First Ward.

### QUESTIONS FINANCIAL STATUS, RESIDENCE

To the Editor:

On April 6, the people of Granite City are going to elect a mayor, aldermen, assessor, etc., to govern our city. It is important that we elect the most qualified men.

As a resident of Ward One, I want to point out that there is a large number of people in our city who are not qualified to be elected. They are not residents of our city, they are not citizens, they are not qualified to be elected. They are not qualified to be elected.

The greatest fear that you have in mind is that the city will be the fear of un-

## Pure Air Law Worthy Of Adoption By City Council

Increasing evidence linking air purity and health has made it apparent that communities should consider air pollution standards.

Such regulations need to be well thought out to avoid loopholes or excesses. Once prepared and adopted, they need to be fully enforced to control all types of air pollution—whether from operation of motor vehicles, processes in manufacturing, burning for salvage purposes, disposal of trash and garbage or any other activities.

A detailed, 19-page air pollution ordinance has been placed on first reading by the Granite City council and deserves final approval. It will eliminate many existing problems. It will not be an easy law for some firms to comply with, but neither is it expected to put them out of business. And it will enable the conditions to be fought at the local level, rather than by Springfield or Washington officials unfamiliar with the Quad-City area.

The document outlines "discharge into the outdoor atmosphere of air contaminants so as to cause air pollution and create a public nuisance." It creates a nine-member appointive Air Pollution Board, with no more than two of them holding public office. One member must be a registered professional engineer and one a representative of labor, one an attorney, one engaged in municipal government and one a representative of the business community. Three-year staggered terms will make for continuity.

In addition to the non-salaried board, a registered professional engineer will be hired as a non-voting technical secretary. It will be his duty to monitor and enforce the ordinance under the overall guidance of the board, which will meet at least four times a year.

With emphasis on "the protection of normal health, safety and the physical property of the people," the pure air program can aid greatly in making this community increasingly attractive to new and present residents.

### No State Or City Sales Tax Increase Needed This Year

It was with a sigh of relief that many Illinois residents noted that Gov. Kerner excluded revision of the state sales tax from his budget and revenue recommendations submitted to the General Assembly last week. A high sales tax is extremely detrimental to businesses in border communities such as this.

Although an additional \$190 million is expected from the sales levy due to collection loopholes, the current rate of 6.25 percent, which is the highest in the state, will remain three and a half cents on the dollar. To this tax, most cities and counties add a half-cent to bolster their own governmental treasuries.

Finances of the vast majority of Illinois cities and counties also are such that they can continue to function during 1965 and 1966 without alteration of their present financial policies.

There is intense pressure from Chicago for permissive legislation to double the municipal tax, but past experience has shown that many governmental bodies would create untold problems for their particular needs. If the state tax revision is submitted to voters, surely the city-county share also can be left unchanged.

### Mandatory Attendance Not The Answer To Dropout Problem

There is no doubt that many high school dropouts could lead more productive lives if they absorbed more schooling. But there is real doubt about the value of the proposal to require school attendance in Illinois until graduating or reaching the age of 18.

Students kept in school against their will—and against the best judgment of their school officials—could quickly create untold problems in the conditions detrimental to other youngsters' study, citizenship and well-being.

Every effort must be made to interest students so that they will want to equip themselves academically and vocationally for the challenges of the world which awaits them. But raising the mandatory attendance age is so simple an answer that it would be no remedy at all.

### RESIDENT OF CITY

City, and have always voted in the 7th Precinct. I would like to make a statement to residents of this ward before they elect a candidate for alderman.

Some of the people who are running for alderman are not qualified to be aldermen. They are not residents of the city, they are not citizens, they are not qualified to be elected. They are not qualified to be elected.

### LACK OF LAW AND ORDER SEEN AS ELECTION ISSUE

To the Editor:

Election day, April 6, is near. For whom should we vote? Which office seekers are really interested in the welfare of our city? Which ones are running for office only to bring law and order back to Granite City?

I am sure Carl Passhoff could serve the best interests of the 7th Ward.

### TIPS ON THE BIG RACE

To the Editor:

Some worthwhile tips on the mayor's race:

1. Bet on Cruse; 60,000 dollars, four years.
2. Post time: Tuesday, April 6, 1965.
3. 1. Bet on Cruse; 60,000 dollars, four years.
4. 2. Von Dee Cruse: Heavy favorite for this one—people's choice.
5. 3. Nighobian: First choice for the people.
6. 4. Partney: Should place here—past performance not so good.
7. 5. Sternberg: Good show bet—track too fast; needs more mud.
8. 6. Whittier: Low money runner—outlived here.

### WARD WOULD WORK HARD

To the Editor:

Although my mind has been made up for the last month I would like to submit a last-minute vote of confidence for Al Whittier, alderman-elect candidate for the Second Ward.

I will not submit a flashy or empty promise about his record because he doesn't need one. Anyone who has known Mr. Whittier for any length of time can attest to the fact that he can win in all of his endeavors.

I'm sure that if Mr. Whittier's old friends and his new friends mark his name on the ballot, we will have a hard-working and earnest alderman in the Second Ward.

### STRESSES QUALIFICATIONS FOR OFFICE OF MAYOR

The Press-Record asked, "Would you devote full-time to the office of Mayor?" Gene H. Sternberg answered "No." Surprisingly, however, the people who know Mr. Sternberg. He could have refused to answer the question. He could have pledged to give his business to his wife to run—his son is in college. But he was perfectly honest to the voters and to himself; nevertheless, let us have some "plain talk" about the matter of a "full-time Mayor."

The phrase "full-time Mayor" seems to hold a certain fascination for some of the mayoral candidates. In fact this seems to be the chief issue, if not the only issue, of the whole campaign. If all the candidates had the same qualifications it would be the only issue. They haven't.

There are six candidates. Granite City voters must pick one. Each one has qualifications. Each one should include honesty, leadership ability, legislative ability, business experience and success. Each one should have a sense of responsibility and the necessary time to combine all these qualities into a workable program of community growth.

Granite City has grown slowly but effectively. The city has come about in spite of the "leadership" of City Hall. With dedicated leadership this city could achieve the planned growth long desired by its citizens.

But if you want a full-time Mayor without the necessary qualifications, you might as well vote for Sternberg. Granite City doesn't need a "full-time Mayor" who is not a full-time, fully qualified, fully dedicated Mayor. Granite City needs the best—G. H. Sternberg.

### CORBIN DEFENDS ACTION BY THAMES COUNCIL

To the Editor:

In defense of the criticism of the endorsement of some candidates by the Tri-City Trades and Labor Council by Mr. Ed Hagauer and others in the April issue of the Press-Record, I wish to inform the public that the Tri-City Trades and Labor Council has no voice by vote of the entire delegation with not one vote dissenting.

I believe most people would recognize this as a unanimous vote. This took place with three members' attendance from Carpenters Local 633 which Mr. Hagauer and Mr. Ellberg both said had gone on record as endorsing candidates other than those endorsed by the Tri-City Trades and Labor Council.

As a further statement to clear the record, neither Mr. Hagauer nor Mr. Ellberg attended the last meeting of the council. If they had, they could have been removed from the council for reasons for their difference in opinions. As it now is, the Tri-City Trades and Labor Council has made its honest and sincere endorsement and it was not a vote of the council.

### CHALLENGES PROMISES BY CHOUTEAU CANDIDATES

To the Editor:

This is in regard to a joint statement made by Mr. Duane C. DeCola and Mr. Robert Crutcher, candidates for alderman in the Chouteau township, which was published in last Thursday's edition of the Press-Record.

They promise several things that they will do but cannot show any way that they are really going to get them done. For

instance, where are they going to get the police service other than the sheriff's office, which we now have? If they know of narcotics being sold or liquor being sold to minors or taverns staying open after hours, it is their duty as citizens to report it to the proper authorities. They do not have to be town officials to do their duty in solving these problems.

They say they would seek a resolution to have the town clerk's hours changed. They have that power now as individual voters, if they are interested enough to request it. However, I don't think they would be able to find anyone capable of handling the job that would have it if they had to keep regular daily hours, particularly if they had to stay open until midnight to accommodate a few late-largers.

### YOUTH YAWNS—Dislocates Jaw

Richard Davison, 16, son of Mr. and Mrs. Richard Davison, 2408 East 25th street, underwent emergency treatment for a dislocated jaw Thursday at St. Elizabeth Hospital, which he sustained when he yawned. The injury was reduced by pressure and he was released.

Those who received emergency treatment Thursday were Mrs. Patricia Koch, 2356 Angela drive, who cut her right index finger on a nail file; and a 10-year-old boy, who was injured by a baseball, 3108 13th avenue, who was injured on the left ear by a baseball; Gary Stroud, son of Mr. and Mrs. William Stroud, 2205 Missouri avenue, who had a peanut removed from his right ear.

### GIVES VIEWS ON PICKET

To the Editor:

This is in response to a paid ad in the last issue of the Press-Record which implied that Mr. Richard Fry, candidate for 6th ward alderman, should not be allowed to hold office because he crossed a picket line two years ago at the Dow Metal Products Co. I believe that Mr. Skubish has implied much in his campaign for re-election.

These gentlemen, I believe, are trying to make it seem that they would have done differently. I doubt it. Even if I chose to believe them, I would have to know by what right these men expect a rather unimportant sacrifice of another when they suffer the same circumstances and would not have expected such a thing of themselves. In this instance, I can only regret the power of a union against an individual in an unfair, unreasonable and irresponsible manner.

Whether Mr. Fry wins or loses in his bid for office, I challenge all of these gentlemen to let the public that they would have done differently. If we expect honest government, we must expect officials or office seekers, let's begin by supporting them or opposing them in an honest manner.

### Investigate Attempt To Burn Venice House

Venice police are investigating today an apparent attempt to burn the home of Mrs. Anita Young, 1128 Douglas avenue, Venice.

Police said that a bundle of approximately 50 wooden "kitchen matches" that had been thrown into a fire bomb, which had been thrown into the porch, however, Mrs. Young told police she had no idea as to who might have committed the act.

### Example of Less Costly Sewer Proposal Cited

Indications that Collinsville will offer sanitary sewer service to State Park Place residents at \$3.50 a month and a \$50 tap-on fee were cited today by Namooki town board candidates, Edison Phelps, Keith Hart and Matthew Pope.

The three have been criticizing proposed Namooki township sewerage treatment for a district located near the intersection of East Madison, Pontoon Beach, Miracle Manor, New Haven, Williams and others in the April issue of the Press-Record. I wish to inform the public that the Tri-City Trades and Labor Council has no voice by vote of the entire delegation with not one vote dissenting.

I believe most people would recognize this as a unanimous vote. This took place with three members' attendance from Carpenters Local 633 which Mr. Hagauer and Mr. Ellberg both said had gone on record as endorsing candidates other than those endorsed by the Tri-City Trades and Labor Council.

As a further statement to clear the record, neither Mr. Hagauer nor Mr. Ellberg attended the last meeting of the council. ## Double-Ring Ceremony Friday For Sykes-Handlon Wedding

Altar bouquets, greenery and cousin, served as groomsmen provided the setting Friday evening for the wedding at First Church of the Nazarene of Miss Pamela Handlon, a daughter of Mr. and Mrs. Jack Handlon, 1505 St. Clair avenue, and Larry Wayne Sykes, whose parents are Mr. and Mrs. Elmer Sykes, 2901 Palmer avenue.

White ribbons marked the family pews and a program of wedding music was provided by Mrs. Ralph Barker, organist, and Miss Judy Cox, soloist. The songs were "Because," "Wedding Prayer" and "As The Years Go By."

The Rev. George Reader performed the double-ring ceremony and the bride's parents gave a reception afterward at the YMCA.

Given in marriage by her father, the bride wore a floor-length gown of Chantilly lace over peplum de soie. The fitted bodice had a Sabrina neckline and long tapered sleeves fastened at the wrists with small covered buttons. The tiered skirt ended in a cathedral train. A petal headpiece of organza, seed pearls and crystal loops help in place the bride's veil of imported silk illusion and she carried a cascade of white carnations and stephanotis with two pale pink orchids in the center.

Mrs. K. L. Handlon, a sister-in-law of the bride, was matron of honor, and Miss Barbara Gray was bridesmaid. They were dressed alike in Chantilly lace over baby blue taffeta. Designed with scoop necklines, short sleeves and bell skirts, they had large bows in the back at the waistlines. Matching bows of taffeta, lace and veiling formed their headpieces. Both held white carnation bouquets accented with blue.

Scott Sykes was his brother's best man, and Dale Marlen, K. L. Handlon, Joe Homby a brother-in-law of the bridegroom, and Garry Embick, a

## Total Rainfall for Year Exactly Normal—6.36 Inches

Rainfall in the Quad-City area during March totaled 1.81 inch— including six inches of snow— and increased to 6.36 inches the total fall for the year thus far. By coincidence, the 6.36-inch fall is the exact figure for the normal average for the first three months.

According to the gauge at the Chain of Rocks canal locks, the January fall totaled 2.88 inches, February 1.67 inch and March 1.81 inch, a total of 6.36 inches. Normal for January, according to the U. S. Weather Bureau, was 1.98 inches, February 2.04 inches and March 2.34 inches—a total of 6.36 inches.

Rain, snow or a mixture of the two, fell on 16 days of the month, including four "trace" recordings, which consist of a light precipitation sufficient only to register on the gauge. Traces were recorded on March 1, 6, 8 and 21.

Snowfall of three and a half inches, equivalent to .23 of an inch of rainfall, fell on March 4. Another inch of snow, comparable to .07 of an inch of rain, was recorded the following day, March 5. On March 8, one-half inch of snow, equivalent to .03 of an inch of rain, also fell.

A mixture of rain and snow totaling .85 of an inch was recorded on March 2, followed on March 3 by .07 of an inch of rain. A fall of .05 of an inch was recorded on March 14, another .08 of an inch on March 17 and .37 of an inch on March 18. Other minor rainfalls, ranging from .05 of an inch to .15 of an inch were registered March 23, 24, 25 and 26.

In the past, officers and committee members were named for indefinite periods, but under a new policy adopted at the meeting, terms hereafter will be on a one-year basis.

New committees include: Executive Committee—Robert S. Knapp, Admiral Sidney W. Spauls, both of St. Louis; Edward J. Delmore Jr., Caseyville, and Townsend.

### New Church Boosts Building Values To \$604,027 in March

Two new churches sent values of building permits zooming to a total of \$604,027 during March, according to 50 permits issued by Earl Bloomquist, building inspector.

One is under construction for the Hope Lutheran congregation at 2017 Wabash avenue at a cost of \$242,487, and the other is for the United Pentecostal Church at 2400 Pontoon road at a cost of \$59,000.

C. H. Sternberg is the contractor and William G. Potter of Belleville is the architect for the Hope project. The building permit for the Pentecostal church indicated that the church has its own plans and that the congregation will do the work. The total topped the \$303,733 amount for March of last year when 52 permits were issued. Indicating the approach of the construction season, it also went over the February total of \$370,855 listed on 34 permits.

### TAXPAYERS of GRANITE CITY

WE HAVE JUST COMPLETED AN EXTENSIVE SURVEY OF  
YOUR GARBAGE AND REFUSE COLLECTION SERVICES.  
HERE ARE THE RESULTS:

**2968 HOMES AND BUSINESSES — SATISFIED** AND WANT TO CONTINUE SAME SERVICE  
**79 HOMES — SATISFIED** GAVE NO OTHER COMMENT  
**300 HOMES — SATISFIED** BUT WOULD PREFER LOCAL HELP  
**172 HOMES — Unsatisfactory**

The questionnaires used in this survey are on deposit at the Granite City Press - Record and available for inspection. These reflect the names, addresses and signatures of those surveyed.

Because of the OVERWHELMING VOTE OF CONFIDENCE given our service, we felt that the city would want to continue it. In this regard, and fully aware that the State of Illinois is demanding that all cities cease burning and open dumping, we have made arrangements to furnish the city

**"A FREE LAND FILL PROGRAM"**  
**RESULTING IN A SAVINGS OF THOUSANDS OF DOLLARS TO YOU -- THE TAXPAYER!**

We also propose to furnish oversize trash receptacles to the schools at no extra cost. This can be done because of our established operation here and because we have planned for this from our first day of operation. The old city dump will be returned to you to be used for other purposes as you may desire. WE WILL SUPPLY, AT OUR COST, THE SITE FOR THE "LAND FILL."

A few of the council members keep giving voice to the "Fairy Tale" that the people don't want our service. The survey PROVES THE PEOPLE WANT OUR SERVICE TO CONTINUE — The "Land Fill" proves we are sincere in our desire to give you THE BEST SERVICE AT THE BEST PRICE.

**DO YOU WANT TO THROW AWAY 3 YEARS OF PROVEN AND SATISFACTORY SERVICE?**

**DO YOU WANT TO PAY EXTRA TAX DOLLARS FOR LAND FILL OR INCINERATOR SERVICE?**

**YOU KNOW WHAT YOU HAVE NOW!  
 YOU DO NOT KNOW WHAT OTHERS WILL GIVE YOU!**

# TAXPAYERS!

CONTACT YOUR MAYOR And ALDERMEN And TELL THEM AS YOU TOLD US... WE'RE SATISFIED... LET'S KEEP OUR PRESENT COLLECTION SERVICE!

**DON'T DELAY -- SAVE YOUR TAX DOLLARS**

Madison County Farm Advisor

CHIMICAL WEED CONTROL DEMONSTRATION PLANNED

Demonstrations of the use of chemicals to control three especially damaging weeds will be carried on this year in the northern part of the county. The three weeds are wild cane in soybeans and corn, cocklebur in soybeans and corn, and bindweed on diversified acreage. Wild cane has increased in the past few years and is the northern part of the county. It grows in the rows of crops like corn and soybeans, coming on rapidly after the last cultivation. This year Laverne Kornmeyer of Alhambra township will use three chemicals in planting time on soybeans to compare their effect on wild cane. The chemicals are Ambien, Trellan and Vernam. Eptam will be used on corn.

Spraying of cocklebur in red clover will be tried by Henry Schallenberg of New Douglas township, with the amine and ester types of Butoxone. The other type of course, is to perfect a chemical that will kill the cocklebur and not injure the clover. Two farmers are doing this. One is using a chemical that will kill weeds in soybeans. One had fairly good results; effects in the other case were negligible. Control of field bindweed on some diverted acreage will be attempted by Emil Kornmeyer of Tipton township with Tordon, a new chemical expected to show some results.

A few farmers are planning to treat soybean fields with Trellan, then drill the beans solid to avoid cultivating. The research people have been trying to develop a chemical selective enough to kill weeds and not soybeans when used as a post-emergence spray. Soybeans are quite susceptible to most chemicals sprayed on growing plants. Most farmers are using pre-emergence treatments applied in bands on the rows at planting time, then cultivating out the weeds between the rows. Results depend on the weather after planting; experimental work indicates that, on the average, weather is favorable enough for success in three years out of four.

Farmers wanting more information on chemical weed control should get Illinois Circular 856 "Weed Control in Field Crops, 1965" at the farm adviser's office. It has the latest recommendations for almost all our weed problems. The field of chemical weed control is still relatively new. The herbicides now available are not perfect. Factors such as rainfall, soil type, and method of application influence their effectiveness. Under certain conditions some herbicides may damage the crops to which they are applied. In some cases chemical residues in the soil may damage the crops grown later. When deciding whether or not a herbicide should be used, consider both the risk involved in using a herbicide and the yield losses caused by weeds. Much of the risk can be decreased by following these precautions:

Use herbicides only on those crops for which they are specifically approved and recommended.

Use only recommended amounts. Applying too much of a herbicide may damage the crop, may be unsafe if the crop is to be used for food or feed, and is costly.

Apply herbicides only at times specified on the label. Observe

Granite City PRESS-RECORD  
Mon., April 5, 1965 Page 25

the recommended intervals between treatment and pasturing or harvesting of crops.

Wear goggles, rubber gloves, and other protective clothing as recommended on the label.

Guard against possible injury to nearby susceptible plants.

WINTER-KILL REPORTED IN AREA WHEAT FIELDS

More reports of winter-kill in wheat fields are being received. Earlier the damage seemed to be only in the bottom lands in the southwestern part of the county, but the later cold spells have killed some wheat in the uplands. More winter-kill may show up in the next couple of weeks. Where stands are not worth leaving crops like soybeans or oats, or perhaps corn in some cases, will be planted to replace the wheat. Cattle Feeders' Day at the University is scheduled for April 15.

## Rites Held for Former Resident of Madison

Funeral services were held recently in Pasadena, Texas, for Don Arlen Brown, 32; former Madison resident and son of Mrs. Alfred Ledbetter, 210 McCambridge avenue, Madison, who was killed at his home while working under an automobile that slipped off its jacks. Mr. Brown was killed instantly. Burial was in San Jacinto Memorial Park at Pasadena.

Granite City PRESS-RECORD

In last Monday's issue, a Candidate for Mayor attempted to analyze his fine opponents. Concerning me he stated — and I quote — "Whitmer, Sam—a hard working, independent thinking alderman, who has done a good job for his ward."

I appreciate that recommendation of my record as an Alderman. Now, I am asking Granite Cityans to give me the opportunity to be a hard working, independent thinking Mayor, who will do a good job for the City as a whole.

Just say "I'm for Sam"

black-marked face. Witnesses said he was wearing a light jacket and had discolored or chipped front teeth.

The second robber was between 25 and 30, about five feet, ten inches tall, weighed about 150 pounds and had dark curly hair.

**Trio Caught in Station**  
An alert passerby gave police an anonymous telephone tip at 2:20 a.m. Friday that resulted in the capture of three youths inside the Shrek Service station, Pontoon road and Sara avenue.

Surprised inside the building were Richard Lee Owens, 20, of Alton, and Allen Dwight Underwood, 18, and Gerald Edwin Keller, 22, both of S. Rosana. They were charged with burglary.

All police cars were sent to the station after the call was received, and police entered the building, using the entrance made available by the intruders through an overhead door. The trio was in the station office when captured.

Police said a cigarette machine money box with \$180.65 had been removed and a soda machine also had been forced open. A window on the west side of the building had been broken. The trio made statements admitting the break-in. In the auto owned by Owens, police found about 14 packages of cigarettes.

County authorities questioned the youths concerning a break-in at Sunset Hill Cafe on old U.S. 66-40 at the foot of Sunset Hill where a vending machine was looted of about \$15. Entry there was gained by breaking a window.

**Newsboy Robbed of \$10**  
A newsboy who was walking in the vicinity of West 23rd street and Nevada avenue about 10 p.m. Saturday was strong-armed and robbed of \$10 in nickels, dimes, quarters and halves by a teenage bandit who struck him in the stomach.

The newsboy, Jerry Weiden, 13, of 2027 Bryan avenue, told police the robber, about 17 years old, walked up to him and said, "Give me your paper money."

When Jerry refused, the older boy struck him in the stomach, knocking him down. The robber then helped himself to the money from Jerry's coat pocket and fled along West 23rd street toward Ohio avenue.

Jerry went home and called police from there. He said the older boy was wearing a dark jacket and dark trousers.

**1965 Auto Stolen, Found**  
A 1965 green station wagon belonging to Donald Partney, 2215 Dewey avenue, Fourth Ward alderman and mayor candidate, was reported stolen about 8:15 p.m. Sunday from in front of his business place in the 2700 block of Madison avenue. The wagon was found about 9:30 p.m. in the 2700 block alley between Madison avenue and Iowa street.

Edward Ozanich, 2538 Spalding avenue, reported at 7:15 a.m. Friday that his 1953 two-door, dark green hardtop auto was stolen during the night. It was located Friday evening.

A burglar who apparently used a heavy bar to pry open a front door, stole an undetermined amount of change from Stanley's Market, operated at 1101 Greenwood avenue, Madison, by Stanley Ostrenga. The theft occurred early this morning.

Ostrenga said the coins taken from the cash register included

## \$250 Reward on False Chouteau Twp. Circular

A reward of \$250 is being offered by two chouteau township candidates, Duane DeCota and Robert Crier, for information leading to the arrest and conviction of those responsible for an unsigned circular which purports to give their seven-point platform.

The false platform contains 20 Kennedy half dollars. The store was completely ransacked, apparently in a search for money.

An attempted burglary was reported at 9 a.m. Friday at Arky's tavern, 16th street and Madison avenue. Glass was broken out of a side door which had several pry marks. Boards had been taken off of a basement entry which was closed off underneath. There was no entry.

**Pay Phone Looted**  
Two youths were seen about 11 p.m. Sunday loitering in a pay phone booth at West 23rd street and Illinois avenue, and when police arrived, the boys had disappeared but the officers discovered the phone had been ripped off its mounting and the coin box was missing.

**VOTERS OF THE SIXTH WARD:**

A great deal of pros and cons have been heard about the 4-year term for aldermen — the 6th Ward — but too little has been said about the two year term. Each is as important as the other.

Because I am unable to run for re-election I believe many of my friends would like to know my feelings concerning the four candidates for the two-year term.

After very careful consideration of the four candidates, I sincerely recommend that you vote for Patrick G. Malcor — the man who, in my opinion, will make us the best alderman.

## Easter Program Deadline Today

Today is the deadline for local churches to submit programs for publication in advance of Palm Sunday and Easter. The Press-Record, as in the past, will publish all programs submitted in time.

The advance date is necessary to give time to prepare the programs for publication. The Press-Record office, 1815 Delmar avenue, closes at 5 p.m. today. If church pastors or secretaries arrive after the closing hour, there are slots by each of the front doors and in the bottom of the door on the south side of the building.

## Downtown Weed Fire

Granite City firemen were called to a weed fire at 6:10 p.m. Thursday at the Elks lodge on Niedringhaus avenue. It was caused from burning trash and there was no loss.

## AUXILIARY WELCOMES THREE NEW MEMBERS

A meeting of the Venice Social club auxiliary was held Thursday evening at the club on Brown street. Mrs. Angie Udell, president, presided at the business session.

Three new members welcomed at the meeting were Mrs. Catherine Kovicki, Mrs. Sylvia Simurda and Mrs. Blonnie Dillon, all of Granite City.

Plans were made to dye eggs for an Easter egg hunt, to be sponsored by the club, and held at the Venice public school athletic field. A social time followed and games were enjoyed.

Prizes were awarded to Mrs. Mayme Dempster and Mrs. Debra Jones, both of Granite City, and Mrs. Kate Buechle and Mrs. Jane Ochoa, both of Venice.

A luncheon was served by Mrs. Udell, Mrs. Ochoa and Mrs. Parente, hostesses for the evening.

Others present were Mrs. Lettie Kelly, Mrs. Peggy Cochran and Mrs. Margaret Stover, all of Venice.

**MRS. PAINTER HOSTESS FOR CHRISTMAS CLUB**

Members of the Christmas club met Wednesday at the home of Mrs. Margaret Painter, 422 Lincoln avenue, for an afternoon of games.

Prizes were awarded to Mrs. Mabel Moore and Mrs. Hester Ohlenhoff. Refreshments were served.

Guests present were Mrs. Ora Anderson of Granite City and Mrs. Naomi Boelling, Mrs. Lilian Darr and Lori Durr, all of Venice.

**HONOR DAUGHTER ON SIXTH BIRTHDAY**

Mrs. and Mrs. Duane Rankin, 511 Washington avenue, entertained Wednesday afternoon with a party in honor of their daughter, Denise, on her sixth birthday. She received many gifts.

Decorations carried out the birthday theme and a decorated cake centered the dining table. Refreshments were served.

Guests present were Susan and Kristy Kovicki, Kathy Williams, Susan Ochoa, Caroline Malherke, Betty Mulnik, Susan Bilbey, Marsha Byrnes and Theresa Bilbey.

Den One Club Jack Ten met Thursday afternoon at the home of the den mother, Mrs. Ruth Rankin, 511 Washington avenue. The meeting opened with the pledge of allegiance.

A discussion was held on the April theme, "Green Thumb." Outdoor games were played and refreshments were served. The meeting closed with the den yell.

Boys attending were Jay Metzger, Michael Greenhouse, Jimmie Bilbey, Mark Great-house, Billy Boelling, William Hines, Ivan Cowan and Gerry Rankin.

**GIRL SCOUT LEADERS PLAN COMING EVENTS**

Neighborhood One Girl Scout leaders of District Four, River Bluffs Girl Scout Council, met Thursday evening at St. Mark's church basement with the Venice leaders as hostesses.

Mrs. Doris Votaw, district chairman, presided at the meeting. "Hobo" fun day for adult leaders will be held May 12 at Camp Lakota. Mrs. Jackie Frizell was appointed chairman to represent Neighborhood One.

Mrs. Martha Wambaugh also will represent the group at the junior "fun day" to be held at

Camp Lakota May 1. Bus stop will be announced later.

Reservations for day camp and outdoor session May 6 at Lee Park. The group will cook items using foil, and Dunbar leaders will furnish the food.

A luncheon was served by Mrs. Eva Maurer and Mrs. Florence Durr, to Mrs. Pauline Richert, Mrs. Leevericha Weston, Mrs. Norma Hillmer, Mrs. Thelma Skelly, Mrs. Bernadine Weidner, Mrs. Ruth Ann Planitz, Mrs. Jewel Barnes, Mrs. Mabel Dandridge, Mrs. Maxine Tawney and a troop committee member, Mrs. Annie M. Foster.

Mrs. Clara Krause, 1030 Third street, returned home Thursday from Centerville Hospital, where she had been a patient for a week and underwent tests and treatment.

Albert Harden, 1212 Robin street, returned home Wednesday from Missouri-Pacific Hospital, St. Louis, where he had undergone a series of tests.

**Concluding Statement By Twp. Independents**

Conduct of elections in a "fair and ethical manner" was pledged today by three Nanceville town board candidates in commenting on their opponents' unsuccessful attempt to separate their names on the ballot being voted on tomorrow. "We hope that in future township elections such things will not be permitted to develop."

Candidates Edison Phelps, Keith Hart and Matthew "Mike" Ropac said they are trying to take majority control of the town board "out of the hands of machine politics and restore it to the citizens where it rightfully belongs."

The five-member town board also consists of the supervisor and clerk. The three independent candidates are opposing a party ticket composed of incumbents.

Commenting that they disagree with policies of Supervisor Harry Briggs, the three pointed out that he was among the political figures listed on a past Levee Board payroll and testifying to the commission hearing on the Levee Board.

"This is not the type of government we want," they asserted, "to handle a \$2 million sewer plan or to plan for future progress of Nanceville township," they asserted.

"We have the solid support of many civic associations representing large areas of the township. That we are trying to serve the best interests of the majority is evidenced by the many volunteers helping us inform the public on vital issues."

"We only ask that the voters study the issues carefully and consider their obligations to themselves and to the future of their families and the township."

**Service Clubs Maundy Thursday Service Set**

Steven B. Stevens, a newscaster from Radio Station Kook in St. Louis, will be guest speaker this year at the Maundy Thursday luncheon April 15 at First United Presbyterian Church for area service clubs.

The luncheon has been held annually for the past 20 years at the church and among the clubs participating are Granite City Rotary, Noonday and Twilight Optimists, Kiwanis, Madison Rotary and Lions clubs and Mitchell Kiwanis. Approximately 125 are expected to attend.

**Bad Weather Forces Fishermen to Return**

Four local men returned home Friday following a week-long fishing trip to the Black Lake area in Louisiana. The quartet had planned to stay a longer time, but continuous bad weather forced them to cut their vacation short.

In the group were David L. Murphy, 2542 Spaulding avenue, Ray Louis, 2803 Burn avenue, Jack Bogosian, 1727 Poplar street, and Harold Schmidt, 2800 Madison avenue.

## Madison-Lions View Induction Ceremony

Thirty-five members of the Madison Lions Club viewed an induction ceremony for four new members, conducted Thursday evening by Austin A. Lewis at the Sportsman's Club, Madison.

Those initiated were Edward Coelan, Donald Bridgick, William Andre and Matt Oelrich. Edward R. Dubish, president, welcomed the new members and three guests, also present for the meeting, State Sen. James Lyons of Gillespie, Ill., and Ray Kozielek and Chris Costoff, both of Madison. Brief talks were given by each guest.

Avery Schermer discussed the annual pancake and sausage breakfast scheduled for next Sunday at the Madison recreation center. Schermer announced that serving will begin at 7:30 a.m. and continue until 2 p.m. Tickets are available in advance from any club member, he added, or may be obtained at the door.

Following a brief business session, the group adjourned for a social evening.

**Recovering from Auto Accident Injuries**

Harold Ballentine, 308 Washington avenue, Madison, is a patient in Barnes Hospital where he is undergoing tests and treatment for injuries sustained in an automobile accident. He is sales manager for the G. A. Levy & Co. firm of East St. Louis and submitted by National Disposal Co., St. Louis. His wife is president of the American Legion Auxiliary, Post 307, Venice-Madison. His stay in the hospital is indefinite.

## Youth Opportunity Center In Area to be Studied

The feasibility of establishing a youth opportunity center in the Granite City area and general information on anti-poverty programs offered by the Illinois Office of Economic Opportunity will be discussed at 7:30 p.m. Thursday, at the second meeting of the Community Action Committee to be held in the YMCA.

Melvin A. Thompson, supervisor of the Granite City Office of the Illinois State Employment Service, who is serving as the committee's temporary chairman, announced today that Wilbur R. L. Trime, Madison county superintendent of schools, and Gerald L. Osborne,

administrative director for the southern region of the Illinois Economic Opportunity office, will address the group. He is trying all interested citizens to attend the meeting.

Thompson pointed out that the committee's current status is temporary in nature and was formed to study various phases of anti-poverty in the local area. He added that a permanent committee and chairman is to be named at a later date. Thirty-one persons who attended the initial session last month comprise the temporary committee.

## GC Council to Meet On Eve of Election

Granite City council members are anticipating a "fairly routine" meeting tonight—the eve of the city election. Four of the aldermen are running for the office of mayor.

The air pollution ordinance placed on first reading March 22, may be advanced for final passage, and the council also may discuss further the plans for garbage and trash collections as outlined during a committee meeting last Wednesday. A \$122,745-a-year proposal for garbage and trash collection submitted by National Disposal Co., St. Louis, His wife is president of the American Legion Auxiliary, Post 307, Venice-Madison. His stay in the hospital is indefinite.

Also scheduled for tonight's session are petitions for zoning changes and routine officer and committee reports.

## TO THE VOTERS OF THE 1st WARD:

I, WILLIAM (BILL) DALLAS have been a resident of the 1st Ward for the past 44 years — a family man and father of three children and a taxpayer for 27 years.

As most of you know, I am a candidate for Alderman of your ward. If elected I will be your alderman with fair representation to all.

At present time there are some vicious and malicious lies being spread about me. As God is my witness, they are not true. If a person intends to get elected through telling lies, then that is the kind of representation you would receive.

When I was elected 22 months ago my aim was and has been to serve the people of my ward and the city with respect of duties concerning my people. I can say this with sincere honesty — I am the people's candidate, not a machine-controlled candidate. You people of the 1st Ward are my voice at the polls. If elected, I shall always support you with a strong faith in things that are right, good and just.

I give you my guarantee that I shall and always will give you all the support that is within me. You, as a voter, go to the polls and use your God-given right of judgment in casting your vote.

Thank you,  
WILLIAM (BILL) DALLAS  
Alderman, 1st Ward
